## THE WORLD'S **SMARTEST** JOB PLATFORM

### FOUR MINUTES TO CHANGE **EVERYTHING**

Skillzminer unearths people's potential.

We identify people's transferable skills in just four minutes and match them with jobs they never knew they could do.

#### IMPROVES JOB OUTCOME RATES BY 6%

##### Proven to be more effective

We fill jobs quicker, with the right candidates, to help employers be more productive.

We help **unearth everyone's potential** so people find jobs they love.

#### MORE TIME TO MAKE A DIFFERENCE

##### Proven to be more efficient

Our platform helps people to understand their transferable skills in just **four minutes**. This frees up appointment times by around 35%, giving teams more time to make their own difference and improves caseload management.

#### ACCESS TO MORE THAN 1.3 MILLION UK JOBS

##### Proven to offer more

We help people find jobs and careers they never knew they could have.

And there's no need to job search - candidates get matched to jobs **automatically**.

Skillzminer identifies any skills gaps to enable progression in chosen sectors.

#### REMOVES BACKGROUND OR GENDER BIAS

##### Proven to be fairer

Skillzminer doesn't discriminate – because it can't. Unaffected by any human preconceptions, it serves up a **true reflection** of someone's skills, abilities and potential.

The technology does the leg work, so you don't have to.

#### NO HUMAN CAN REPLICATE

##### Proven to be different

The science bit: Our algorithms do what a human simply can't by matching a candidate's profile to **3,000** different occupations by mining **15,000** skills.

#### REBUILDING THE ECONOMY

##### Proven to deliver

Our data and insight is helping industries and the government plan for the future and **eliminate skills gaps**. Skillzminer reduces uncertainty and widens scope in a volatile labour market.

# FOUR MINUTES TO CHANGE **EVERYTHING**

## TWELVE TIMES BETTER THAN OTHER JOB SITES

Our ground-breaking software is used by the UK and Ireland's leading employability and training providers. It has proven to be **twelve times** more effective than traditional job sites.

## 50,000 VIDEO RESOURCES TO IMPROVE SKILLS

We encourage people to **improve their occupational skills**, knowledge and competencies, with thousands of helpful clips in the Skillzminer app.

## EXCELLENT VALUE FOR MONEY

We're relieving pressures placed on jobseekers, recruiters, employers and the government to deliver **value for money**.

**Faster job outcomes.**  
**Increased job sustainability.**  
**Stronger workforce.**  
**Reduced benefit payments.**  
**Increased taxable income.**

## SAFE, SECURE AND COMPLIANT

Skillzminer is built on Amazon Web Services (AWS). It's hosted in London and can easily integrate into an existing AWS cloud environment.

The platform is **secure, GDPR compliant** and offers both caseload managed or self-service options.

Both services can be whitelisted to meet GDS standards for customer facing digital services accessible through gov.uk, or for internal use.

## DELIVERING REAL **IMPACT**

Skillzminer's ability to understand what people can do, rather than what they *think* they can do, plus pull jobs from multiple sites, lets me help more people. And no more endless hours of job search.

*Job coach*

I didn't think a person like me could get a job. Skillzminer helped me see that it wasn't my skills or capability holding me back, it was my confidence. I am now applying for jobs easily with Skillzminer and my job coach.

*Jobseeker*

I haven't been able to work for a long time because of my health. Skillzminer's resources and its ability to show me jobs that I can do, rather than sifting through multiple sites, has really boosted my confidence.

*Jobseeker*

I understand how and what my customers can do, what jobs are available to them and why. I can use this data to help them close skills gaps and to help local employers find the right candidates with great skills right on their doorstep.
